

## **Golf Trip to Monte Argentario, Tuscany with Johanna Pyk-Jargård 17-24 October 2021**

PGA Pro Johanna has over 38 years of experience in arranging golf trips focused on practice and individual improvement.

We will be practicing in the mornings and play this spectacular course in the afternoons. Johanna will be playing with us and will be at hand sharing useful tips and tricks.

Practice and play are scheduled for 5 days, and we have one additional day where you can either play an extra round of golf or enjoy the surroundings - perhaps visit a wine yard or even take a day trip to Rome.

Dinner is included twice, the other evenings we will be dining out and enjoy the local cuisine.

Your flight to Rome must be booked individually to your own preference, however we recommend the flights that land in Rome around 19-20 or earlier. Afternoon flights are recommended on October 24<sup>th</sup>.

Flights within those schedules will benefit from free of charge transfer to and from our destination.
